RE: Civil Action # 05-6661-GMS

Re: Madam:

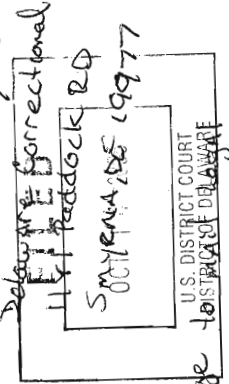

Enclosed is my financial report for the previous six months.

As requested by your office. This institution will not provide postage for mail if the inmate has 10 or more in their account. Therefore, it may take a little extra time for me to get needed information to you. I can only get stamps 2 times a month. The extra stamps I get sometimes are used for writing my wife and parent because I only get 2 phone calls per month.
